

2015 DATES OF INFLUENCE

by Julia Chambers - The Heretical Numerologist

Notes for 2015

All data presented below was researched via public records and calculated according to my own personal approach to numerological calculation. This information is presented in conjunction with my talk or my newsletter, which explains this numerological outlook. "Super Dates" are in **bold**. "Arcs" denote longer/stronger times of influence. For further detailed information, I invite you to attend my classes and sign up for my free newsletter. Personal consults and guest lectures are also available.
